

**REMARKS**

The Examiner is thanked for the allowance of this application.

Upon review of the claims upon receipt of the Notices of Allowance and Allowability indicated that claims 10 and 11 depended from cancelled claim 9. This Amendment serves to correct this problem. As these changes do not affect the scope of the claims and are directed to formal matters these amendments do not create estoppel or require further consideration or search. Accordingly, entry of this Amendment is requested.

It is believed that no fee is due. However, if a fee is required, the Director is authorized to charge such fee to Deposit Account 50-0320.

Entry of this Amendment is requested.

Respectfully submitted,
